

Worldwide medical assistance

Global Excel and **European Benefits Administrators** have partnered to offer multilingual medical and non-medical assistance 24 hours per day.

Case management is provided by a multidisciplinary team of benefit specialists, case managers, registered nurses and on-site physicians.

With the combined expertise of two internationally recognized assistance companies you can expect fast and reliable service.

Our services include:

- Medical record review
- Medical referral
- Case management
- Beneficiary assistance
- On-line preparation and assistance services
- Travel assistance
- Repatriation
- Direct billing
- Cost containment
- Claims administration in multiple currencies
- Co-ordination of benefits

No matter where you are in the world, we are there to help!

ViatorTM Individual Expatriate Health Insurance

What is ViatorTM Individual Expatriate Health Insurance?

A comprehensive package of worldwide health benefits for the Canadian Expatriate.

Who is eligible?

Canadians, under age 70, living, working or studying outside of Canada.

Why purchase ViatorTM?

- Practical, secure and easy to use on-line services to locate hospitals and doctors, request benefit pre-authorization and direct payment to hospitals, access to claim forms and claims status verification.
- Direct deposit of claim payments into designated bank accounts in any of 110 different currencies.

ViatorTM as a student health insurance solution

Most travel insurance plans only cover medical emergencies and repatriate you home when continued care is required. This is not ideal while living and studying in the United States or abroad. ViatorTM Individual Expatriate Health Insurance is for services provided while living, travelling and studying out of Canada. You will not have to leave your studies behind! Call and ask for more details regarding ViatorTM as a competitively priced health insurance solution for students abroad.

Complicated Maternity	\$5,000	Includes reasonable and customary costs for hospital and medical expenses incurred for pre-natal care, childbirth and post-natal care treatment when diagnosed as a complicated pregnancy.

Other Viator™ Products

Inpatient Insurance

Provides foreign nationals working in Canada or returning Canadians and their families, with temporary provincial plan replacement coverage that fills the gap created by waiting periods and residency requirements.

Group Stop-Loss Insurance

Provides an affordable solution to reduce the employer's risk of self-funding group extended health and drug plans by assuming the risk once a predetermined claim threshold is reached.

Group Travel Emergency Medical Insurance

Provides emergency medical and assistance benefits for participants of employer, union and association groups, while travelling outside their province/territory of residence or Canada.

Priority Care Health Insurance

An individual health insurance plan which provides access, without delay, to the best health facilities, the support of our 24/7 medical team, as well as the support of a family member or other travel companion, while undergoing treatment.
